For the academic year 2007-08, the Competent Authority shall conduct total Four (4) rounds of Centralized Admission. The CAP shall consist of first three (3) rounds of Centralized Allotment wherein eligible candidates of respective rounds (both Maharashtra and AIEEE) will fill & confirm separate/fresh Online Option forms for respective rounds. Fourth round of CAP shall be conducted by way of counseling only for the eligible Maharashtra State candidates. Details of eligibility for each round of CAP, method of reporting after each round, availability of seats for each round and such other details will be given in a separate Information Brochure which will be made available to the aspiring candidates at the time of filling up of the option/preference form.

The scheme of allotment through Multiple Rounds is designed to prevent loss of academics and to make the CAP Rounds meaningful and effective rather than formal and ineffective in view of the previous experience of this Directorate as also the facts and figures available with this Directorate as to the seats remaining vacant at the end of each Round(s) and especially at the end of all the Round(s) of such Centralized Allotment Process. The rounds are so designed with the purpose that, maximum vacant seats are filled in, without creating further resultant vacancies on account of shifting of students to whom already allotment has been made in earlier rounds of CAP. This step is required to enable the colleges to start the academic activity immediately to complete the term in time.
