General notes:

1. The aforesaid decision is taken to prevent loss of academics and to make this Round-III meaningful and effective rather than formal and ineffective in view of the previous experience of the Directorate as also the facts and figures available with the Directorate as to the seats remaining vacant at the end of each Round(s) and especially at the end of all the Round(s) of such Centralised Allotment Process. The round is so designed with the purpose that, maximum vacant seats are filled in, without creating further resultant vacancies on account of shifting of students who have secured admissions in pursuance of allotment made in CAP Round-I and to whom already allotment has been made in CAP Round-II. This step was required to enable the colleges to start the academic activity immediately to complete the term in time.
2. Maximum of only four (4) choice codes will be available in the preference form to be submitted for CAP Round-III.
3. Candidate will be able to take a printout of the online submitted preference form and the same should be confirmed at any of the designated ARCs of CAP Round-II.
4. Candidates are required to pay **Rs.100/- in cash** at ARCs as a processing fee of CAP round-III as this third round was not contemplated and hence are recovered before the holding of this round.
5. Eligible candidates desiring to participate are required to submit **separate and fresh choice codes** for the CAP Round-III.
6. **All the Candidate(s) to whom seat(s) will be allotted in this CAP Round-III will have to accept such allotment and confirm admission so made. This is because all the Candidate(s) to whom seat(s) will be allotted in this CAP Round-III, irrespective of whether such candidates accept such allotment made or not, will not be eligible for participating in the further process of admission in case of an unlikely event of continuation of the Centralised Allotment Process.**
