Subject : Request for sponsoring teachers from your state polytechnics for Department of Science & Technology funded two-week Faculty Development programme (FDP) on 'Entrepreneurship Development' for science and technology teachers from 16 - 27 August, 2010 in NITTTR, Chandigarh.

Dear Sir,

Greetings from NITTTR, Chandigarh !

Entrepreneurship Development and Industrial Coordination (EDIC) department of NITTTR Chandigarh is organizing a 2-week FDP (sponsored by Department of Science & Technology, Govt. of India) on 'Entrepreneurship Development' for science and technology teachers from 16 - 27 August, 2010 at NITTTR Chandigarh. The main objective of conducting this FDP is to create awareness and appreciation among teacher participants about entrepreneurship development, developing attitude, skills, and knowledge for setting up and successful management of micro, small, and medium enterprises (MSMEs). These participating teachers shall be trained and motivated during this FDP so that they can teach entrepreneurship to the students in their respective polytechnics and motivate them to become successful entrepreneurs. Therefore, this FDP is highly beneficial for participating teachers to get orientation training and motivating their students. This way they will spearhead the movement of entrepreneurship development in their institutions and the country as a whole.

In view of immense importance of this FDP in today's changing economic scenario, you are requested to sponsor 10 teachers from your state polytechnics. Please send us the list of sponsored teachers well in advance so that they can be contacted individually also for attending this FDP. Since there are 25 seats in this FDP and admission will be given to teachers on first-cum-first serve basis. So please expedite in sending us the list of sponsored teachers.

It is worthwhile to mention here that NITTTR Chandigarh will pay TA/DA restricted to AC III tier train fare to all the sponsored teachers for attending this FDP as per its rules and no fee will be charged from participants.

An early line confirming the sponsorship of teachers from your state polytechnics will be highly appreciated at our end. The sponsored teachers may please be advised to confirm their participation through Fax 0172-2791366 / 2793893 or e-mail headedic@ymail.com / skdhameja@hotmail.com.

With kind regards,

Yours sincerely,

(Dr. D.D. SHARMA)
